Ranch Horse Trail Challenges & String-Cow Clinics

Valuable yet simple tools to help riders navigate trail obstacles and excel at Versatility Ranch & Stock Horse, Ranch Trail and Mountain Trail style competitions; Applicable to recreational trail.

Foundational skills to use the horse's natural curiosity & draw to replace fear with confidence and courage; control challenging situations on and off obstacles or while working cattle.

Speed on obstacles; bringing it up & shutting it down efficiently

Trail Competition Tips; from the Judges view

- What it takes to create winning runs consistently
- Showmanship style and pattern memorization techniques.
- Flawless moves to enhance your performance.
- Pitfalls to avoid when adding in speed.
- Strategic walk-through planning
- Score sheet analysis for positive performances....and much more!

Use of String Cow (Pro-Cutter) for effective positioning, rate, and speed control foundations prior to working live cattle. *NO Live Cattle at clinic!
