Basics to Bridle Intro Intro to Trail & Advanced Trail

June 17-19, 2011 @ Mill Creek Ranch, Ft. Jones, CA

2 or 3 DAY CLINIC! LIMITED RIDERS! 2 INSTRUCTORS!

This private program looks into the techniques of advancing you and your horse through the levels from basic foundation to the finished bridle horse.

Day 1 Basics to Bridle Intro:

- ~ Equine psychology, biomechanics and personality traits
- ~ Groundwork Leadership
- ~ Bits & Reins: How they work and why.
- ~ Foundational horsemanship skills to control challenging situations.
- ~ Effective use of hand, rein, seat and leg aides to gain control of your horse's body parts. Important in normal reining & speed control; it becomes essential on intricate or dangerous obstacles and terrain.

Day 2 Intro To Trail

- ~ Navigate basic trail obstacles using the horse's natural curiosity & draw to encourage the horse to lower his head on cue into and through any given obstacle.

Day 3 Advanced Trail Training

- ~ Extreme Trail obstacles for competitive Trail or rugged wilderness
- ~ Showmanship tips & techniques from the judges eye
